DVD-VR375

Combo DVD Recorder

Recorder

Full multi format recording works with almost any type of disc you choose, recording on DVD-RAM/-RW/-R/+RW/+R.

4 head Hi-Fi VCR

HDMI (High-Definition Multimedia Interface) transfers hi-definition (720p/1080i) video and audio from your DVD Recorder to your TV, Home Theater, or other digital AV components. Simply connect your DVD Recorder to your Home Theater System with a single cable for the high quality pictures and sound.

HDMI-CEC function allows all products in the system to discover and communicate with each other.

Dual layer recording lets you record on \pm R dual layer discs for more than 14 hours of programming.

Cable box control turns on your cable box and changes channels to record at a preset time. Record with only one remote control.

One touch live recording

Convenience

EZ record function: After pressing the REC button, the time it takes to start recording is only a second.

Playable formats: \pm R DL/DVD-Ram/ \pm RW/ \pm R/CD-RW)

Warranty

1 year parts and 90 days labor warranty backed by Samsung toll-free support.
